Dear Hiring Manager,

Thank you for the opportunity to apply for the software developer role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a hard-working freshman college student of Bachelor of Technology in Information Technology with specialization in business informatics at IIIT Allahabad. Throughout my academic career, I have been consistently praised as hard-working by my professors and peers. While working on academic and extracurricular projects, I have developed proven communication, management and analytical skills, which I hope to leverage into the software developer role at your company.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at 8767235332 or via email at Aayushkanjani6@gmail.com for arranging a convenient meeting time.

I have attached my resume along.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Aayush Rameshlal Kanjani
